

EBS & HOMEWORK GAP

EDUCATIONAL BROADBAND SERVICES (EBS) SPECTRUM

EBS IS CLOSING **THE HOMEWORK GAP** RIGHT NOW

MOBILE HOTSPOTS

EBS licensees work with local libraries, school and community institutions to provide affordable, unlimited access via mobile hotspots.

WI-FI ON SCHOOL BUSES

EBS is powering door to door, home to classroom internet for K-12 and secondary students in rural and remote locations.

TRIBAL CONNECTIVITY

EBS is being used to provide broadband access to a tribal community and school located at the bottom of the Grand Canyon.

RURAL ACCESS

EBS allowed Northern Michigan to self-deploy in the rural, sparsely populated Upper Peninsula and is providing robust, fixed wireless broadband access for students, faculty and the community.
